Dear all at Kings Hill Wheelers

Thank you so much for your fantastic donation of £600.00 presented to our representative, Paul Skelley, on 3rd July 2019. We are delighted to have your continued support and Paul enjoyed meeting you all.

Our crews are always ready to help those who need us, at any time of day or night. Your latest donation will enable us to help more people like Charlotte, whose story is enclosed. Charlotte is a mum of two who needed us following a serious accident and, because of support like yours, we were there for her.

Thank you for joining us in our relentless pursuit in ensuring critically ill and injured people get the care they need – we couldn't do it without you!

Yours sincerely
