August 2019

Dear Mat and all members of the Kings Hill Wheelers

Thank you for your generous donation of £900 raised through fundraising and sponsors throughout the year.

Heart of Kent Hospice relies on the support and generosity of our local community to raise £4 of every £5 we spend. The Hospice provides exceptional care for people facing the challenge of living with a terminal illness in Maidstone, Aylesford, Tonbridge, Malling and surrounding areas. Many people tell us of the difference we have made by making every day precious at the most difficult of times. Our care is local, free and is offered to everyone who needs it.

We are so appreciative of your continued support of Heart of Kent Hospice in particular the Cyclo Sportive event. We look forward to seeing lots of you at the event itself and to those that are helping to put the signage up on the 20th. The support you give to the event is invaluable and we are really appreciative.

I look forward to seeing you at the Cyclo Sportive on the 22nd September.

Thank you again for your wonderful and continued support,

With very best wishes,

Erica Snow
